# Consultant Microsoft Dynamics 365 Assessment Instructions

Dear Candidate,

Thank you for your interest in the Consultant Microsoft Dynamics 365 position. Our assessment process consists of two parts: a Multiple Choice Questionnaire (MCQ) and a Coding Assessment. Please read the following instructions carefully.

## Part 1: Multiple Choice Questionnaire (MCQ)

- **Time Limit**: 15 minutes
- **Number of Questions**: 20
- **Topics Covered**: C# fundamentals

## Instructions:

1. Click on the link below to access the MCQ: https://askware.vercel.app/
2. You have 15 minutes to complete the questionnaire once you start.
3. Read each question carefully and select the best answer.
4. Ensure you submit your answers before the time expires.

## Part 2: Coding Assessment

- **Platform**: Replit
- **Time Limit**: 90 minutes
- **Programming Language**: C#

## Instructions:

1. Click on the Replit link: https://replit.com
2. Use the following credentials to access the project:
   - Username: csharpassesement@gmail.com
   - Password: CSharpAssesement2024
3. You will find the coding task instructions within the Replit project.
4. Read the requirements carefully before starting to code.
5. Implement the solution as per the given specifications.
6. Ensure your code is clean, well-commented, and follows C# best practices.

# Important Notes:

- Ensure you have a stable internet connection throughout the assessment.
- Do not use any external resources unless explicitly permitted in the instructions.
- If you encounter any technical issues, please contact [Insert contact email/phone] immediately.

We wish you the best of luck with your assessment. Thank you for your participation!
